

# Born Free Imperial

**Royal Imperial**  
**33' 7"**  
**(F-Series Chassis)**

If you are downsizing from a Class A, or just shopping for a larger motor home, take a look at the Imperial. Born Free has matched our unique body style with the Ford F-550 truck chassis to create a model with plenty of roominess. Available with two slide rooms, this layout has a front living room as well as a rear separated bedroom. The bedroom features a made-up bed, while the living room has a sofa/bed. The Imperial can be ordered to sleep up to 5 adults if the cab-over is ordered with the bed option. The kitchen features the latest appliances with 7 cubic feet of refrigerator space. The bathroom has a corner shower as well as a beautiful vanity. Storage is abundant! Large TV's are designed into both the living room and bedroom designs. Entry into the truck cab is similar to a pickup truck and far different than our larger competitors offer in a class A. Take a real look and design it your way from our list of many options!

This model can also be selected with a rear queen bed in place of the twin beds. The queen bed includes a night stand on each side of the bed and overhead cabinets, one with a hanging closet.

## *Born Free Mobility RV's*

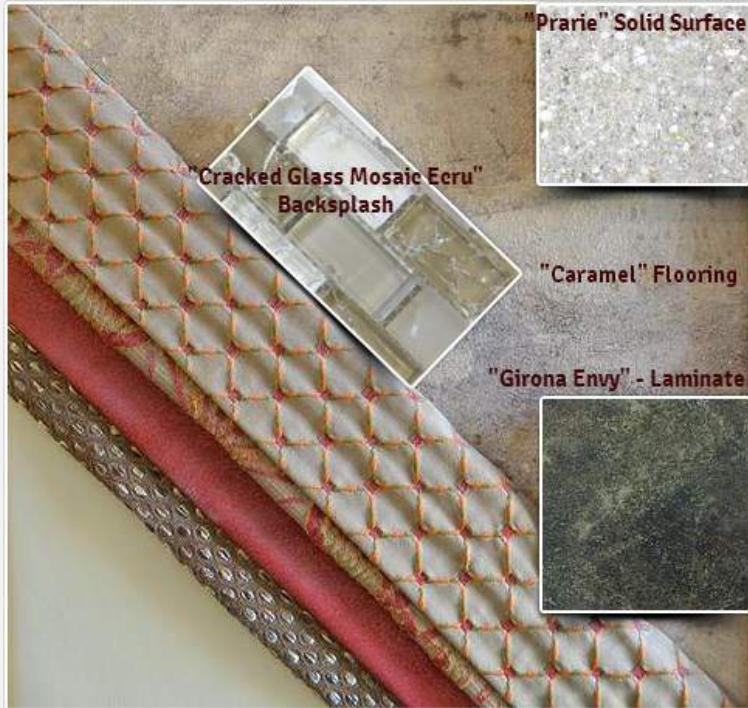

Born Free is proud to offer Mobility RV specialty models to those RV enthusiasts that wish to continue their travel and camping in spite of mobility limitations. The Born Free staff will work with you to match all the comforts of our other models in combination with special features required for your mobility challenges. Models can start as small as 24' and go up to 33' in length, depending on your specific needs. The same exceptional quality and safety go into our mobility models as any Born Free models.

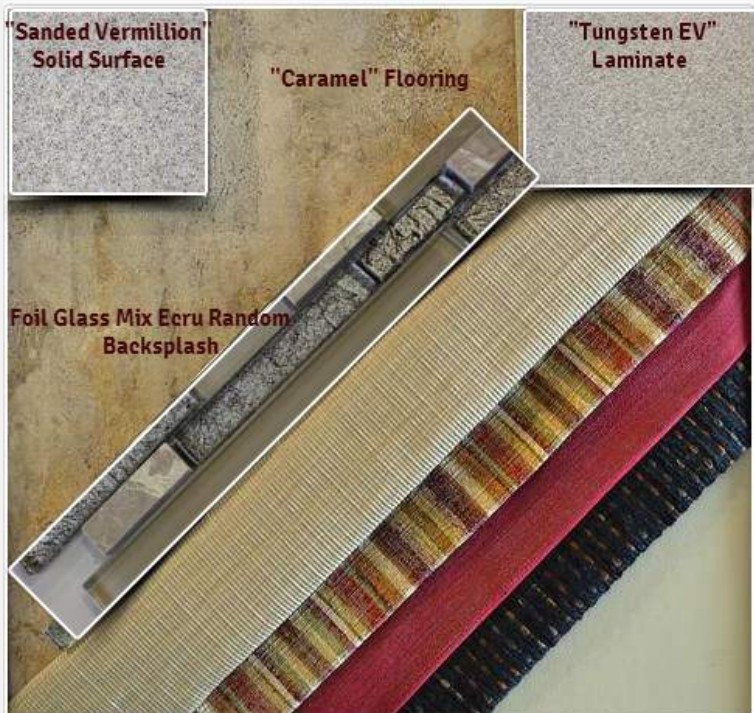

### 2015 Born Free Interior Color Options
