

2015

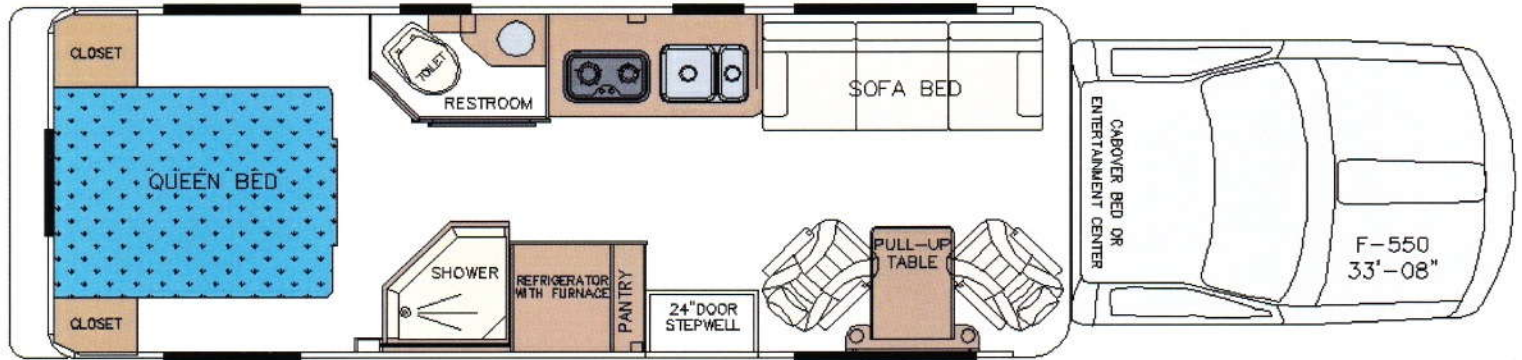

If you are downsizing from a Class A, or just shopping for a larger motor home, take a look at the **Imperial**. Born Free has matched our unique body style with the Ford F-550 truck chassis to create a model with plenty of roominess. Available with two slide rooms, this layout has a front living room as well as a rear separated bedroom. The bedroom features a made-up bed, while the living room has a sofa/bed. The **Imperial** can be ordered to sleep up to 5 adults if the cab-over is ordered with the bed option. The kitchen features the latest appliances with 7 cubic feet of refrigerator space. The bathroom has a corner shower as well as a beautiful vanity. Storage is abundant! Large TV's are designed into both the living room and bedroom designs. Entry into the truck cab is similar to a pickup truck and far different than our larger competitors offer in a class A. Take a real look and design it your way from our list of many options!
