The Born Free Freedom gives you the best of both worlds in any of the 23' floor plan designs. The shorter, compact size allows you to go wherever your imagination would like to take you. The Freedom provides a roomy, spacious interior design that feels like a larger motor home. The biggest surprise in a coach of this size is the separate shower that you typically would only find in a larger coach. The living room has the diversity to allow you to design any furniture option and combination we offer to meet your family's needs. Our queen size cab-over bed option now gives you a very comfortable memory foam mattress. Coupled with Flexsteel chairs and Villa sofa beds, you will have the finest furniture choices in the industry. New amenities such as all LED lighting both inside & out, power day/night shades, laid tile floor and glass tile back splash are just a few of the features found in the Freedom giving you the feel of a larger luxury motor home, in a much smaller size!
