Born Free Triumph

The Triumph features a slide-out option that opens to create a spacious living room. The sofa located in the slide room folds out to two recline positions, or the electric trundle makes into a very comfortable 76" X 60" queen size bed. Two comfortable Flexsteel swivel chairs and a pull-up table opposite the sofa complete the living room area and provide a cozy area for dining.

The kitchen includes a 3-burner stove with glass top for expanded countertop space, a convection microwave oven, a full 7.0 cu. ft. refrigerator/freezer, a sink with two compartments, and a pantry for canned goods. The full size bathroom comes complete with toilet, sink, separate shower, and storage. A 32" double wardrobe provides for ample hanging clothes storage, and for organizing other personal items in the lower areas. When selected with the cabover bed option, the unit can comfortably sleep four.
